Electricity request includes the NFB box, but does not include outlets. Pricing does not include the electricity fee.

Event Name: _____

Please stamp or sign to confirm the application.

Event Area: _____

(Company Seal/Invoice Seal/Department Seal/Signature)

Pay to: _____ Unified Business Number: _____

Event Contact Person: _____ Cell phone number: _____

Notes:

- Applications made within three days before the move-in period will be charged a 50% premium as late application fee. Those who request additional items on-site and relocations will be charged a 50% premium.
- The electrician of the Exhibition Center will provide the water, power distribution box (without sockets), and compressed air to the designated access points per utility diagram provided by the Lessee. Any changes that need to be made on-site will incur an additional charge. The Lessee is responsible for the safety of the pipes, wiring, and sockets of the electrical appliances.
- In the event of (1) unauthorized connection of water and electricity; (2) overload caused by inadequate request for electricity despite actual needs; (3) other violations or unsafe use of electricity, TAITRA may cut off water and electricity without further notice. Any loss incurred as a result shall be the sole responsibility of the Lessee.
- Those who apply for utilities (including 24-hour utility provision) shall install protection measures on their own accord (i.e. uninterruptible power supply) in the event of a power or water outage from the utility companies, or a temporary utility equipment malfunction at an exhibition hall. TAITRA shall not be held responsible.

Application Deadline:
Seven days before move-in period
